

Wedding Poems - Bride to the Groom Wedding Poem

My Love

As a child I dreamed of princes,
As a child I dreamed of kings,
As a teen my dreams they did change,
The movie star,
The rock star,
Diary dreams of red carpet walks,
Of champagne dreams,
As a young woman my dreams again changed,
College and career,
Ambition my course,
As a woman older,
Wiser then before,
Now my dreams are of family,
Love and life,
I wear this ring,
I look at you and realize,
In you I have,
My prince,
My king,
My rock star and movie star,
In you I have ambition,
In you I have a career,
In you I have love.
