

Bride Wedding Toast to Groom 3

I would like to propose a toast to my husband, (the groom). What a blessing to call you "husband". It took me a long time to find someone I wanted to marry. In fact , I searched for you all my life. Thank God , I finally found you. You have all the qualities I dreamed of in a husband. You're an honest man , unselfish , loving , caring , supportive and my ideal in every way. To my godsend , my husband (the groom).
