

Bride Wedding Toast to her Parents

For the past year we've been caught up in the excitement of planning this wedding , and I'm so thankful to you both for all your help and support. Now I'd like to take this opportunity to tell you publicly how much you mean to me and how I appreciate all the special gifts you've given me: the gifts of your patience , your support , your sacrifice, all gifts I can never repay. But , of all your gifts , none are greater than your gift of love. Thank you, Mom and Dad.
